CREATE BERLIN GOES LONDON

18 – 21 SEPT 2008 DRAY WALK GALLERY at Old Truman
Brewery, 91 Brick Lane, London E1 Q6L

Numerous Berlin designers and creative thinkers have heeded CREATE BERLIN's call to get together in interdisciplinary teams to reflect upon the city's unique attractiveness after the fall of the Berlin Wall and the effect of the sudden abundance of free space.

Join us from 18 – 21 September 2008 at the Tent London festival for the exhibition CREATE BERLIN GOES LONDON – a showcase of the top selection of fresh and innovative projects designed by interdisciplinary teams from Berlin – UNESCO "City of Design".
